

Insurance Coverage

Injury Specialists has a dedicated team of trained insurance specialists that speak directly with the insurance carriers to explain the proposed treatment plan based on the patient's complete physical examination and obtain pre-approval from the patient's insurance company. After the appropriate authorization is obtained, advance notice is required to schedule the patient to ensure the continuity of treatment that the program entails.

Although Injury Specialists may not be a participating provider with your insurance plan, please be assured that you will not incur any additional costs or penalties for choosing our doctors.

It is possible your insurance may send you the check and the Explanation of Benefits (EOB). In the event you receive this check, Injury Specialists ask that you endorse the check over to them, and mail it along with the Explanation of Benefits as soon as you receive it.

If you have any questions or concerns regarding this matter please contact our billing office at 314-985-3002
